APPLICANT'S SUMMARY OF SUBSTANCE OF TELEPHONE CONVERSATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

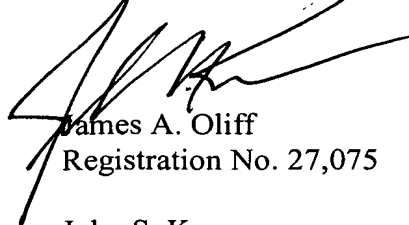

Sir:

In connection with the above-referenced application, an Office Action was mailed on April 7, 2006. Public Pair indicates that the Office Action was returned to the Patent and Trademark Office as undeliverable on April 10, 2006. In numerous conversations with Examiner Trinh, Examiner Trinh indicated that he would reissue the Office Action and restart the period for response. In a telephone conversation on August 4, 2006, Examiner Trinh again indicated that he would reissue the Office Action and restart the statutory period for response.

Based on the fact that the April 7, 2006 Office Action was not properly delivered and upon Examiner Trinh's assurances that he would reissue the Office Action and restart the statutory period for response, Applicant will file no response to the April 7, 2006 Office Action. Applicant intends to respond to a reissued Office Action in accordance with the restarted statutory period for response.

Based on the foregoing, Applicant looks forward to receiving a reissued Office Action which restarts the statutory period for response.

Respectfully submitted,

James A. Oliff
